The day after handing down his third state budget, Victorian Treasurer Tim Pallas will join us to discuss its key features and give a detailed briefing on the impact for business, jobs and investment.

What are Victoria's economic prospects for the year ahead? What will be the changes for business? And what does the budget mean for taxes, infrastructure, employment, trade and investment?

The annual Budget Briefing lunch is hosted by the Victorian Chamber of Commerce and Industry and the Melbourne Press Club. Spaces are limited so book now to secure your place at this important event.
