

Victorian Chamber Chief Executive Paul Guerra Melbourne Press Club Address

The future for Victorian business

**How are Victorian businesses recovering from the pandemic? What challenges lie ahead?
Can we boost the state's recovery while securing its future?**

The Victorian Chamber of Commerce and Industry represents a network of 50,000 businesses across the state, guiding them through one of the biggest social and economic crises in our history.

Join us for an event with VCCI chief executive Paul Guerra to hear his vision for the state post-COVID. He will speak on the findings of the Victoria Summit, which after 10,000 hours work put forward 189 recommendations to help reboot Victoria's economy.

In a double election year for Victoria, Paul will reflect on what we have learned from the pandemic and the leading role business continues to play in the recovery. He will also discuss what must be included in the forthcoming Victorian State Budget and how to avoid further lockdowns as winter approaches.

Don't miss this unique opportunity to hear from the head of Victoria's peak business body.
