

Victorian Chamber and Melbourne Press Club present

STATE BUDGET LUNCH with Tim Pallas MP

The day after handing down the 2022-23 State Budget, Victorian Treasurer Tim Pallas will join us to outline its key features and impact on Victoria's economic recovery.

Ahead of November's State Election, the Treasurer will discuss what the Budget means for jobs, investment, infrastructure, trade, tourism and taxes.

The Victorian Chamber, in partnership with Melbourne Press Club, is presenting this event for the fifth year, providing an exclusive opportunity to engage with the Treasurer and find out more about the 2022-23 Budget.
